CALLED OUT
SMALL GROUP CURRICULUM

Sermon: **When Christians Behave Badly (1 Corinthians 3:1-4)**

Date: **April 17, 2016**

Let's begin with a recap of Paul's first letter to the Corinthians thus far. After his greeting and prayer of thanksgiving, Paul talked about the divisions in the church in 1 Corinthians 1:10-17. From there, he compared lost people with saved people and wisdom with folly in 1 Corinthians 1:18-2:16. Now, at the beginning of chapter 3, the apostle Paul tells the saved people in Corinth that they need to start living like saved people. Even though their flesh has been crucified with Christ and they have been given the hidden wisdom of God through the Holy Spirit, they are still living and acting like the unbelieving world around them. Their behaviour is fleshly. This needs to stop immediately. Born-again Christians cannot perpetually live in unrepentant sin. They need to repent and change. In this week's study we learn that Christians cannot act and think like the world in which they find themselves. We must act and think according to who we are in Christ.
