Romans Chapters 12-16

(Discussion May 12 for Senior High and May 13 for Junior High)

1. What does it mean to conform to the patterns of this world? Why should Christians not conform to the patterns of this world? Use Scripture to support your answer.
2. Romans 13:1-7 talks about the relationship between Christians and government. What does the text say is the responsibility of the Christian toward the government and the government toward society? How do we know when the government is over stepping their authority? Is there a time when it is justifiable for Christians to disobey the government? Use Scripture to support your answer.
3. Define a secondary difference. How should Christians treat each other on matters of secondary differences? Why is this important? Use Scripture to support your answer.
4. Share one thing you've learned from this study on Romans. How will what you've learned impact how you live for God?
